IT Trainee

We are looking for a self-directed IT trainee with a passion for technology, collaboration, and creative problem-solving. As a trainee at Natzka, you will actively contribute to meaningful projects and work closely with a mentor and with our senior leadership.

We value and promote personal initiative, clarity of thought, ability to learn, teamwork, accountability, and a striving for achievement. We collaborate in our offices in the city of Zurich, or remotely.

If that sounds appealing to you, please read on.

Responsibilities

- Assist in building, maintaining, and troubleshooting one or more company products
- Assist in performing preventative maintenance and upgrades on servers
- Perform special projects as determined by the information systems staff
- Assist in needs analysis for projects, in research for solutions for needs
- Gather, analyse, and report important IT system data
- Maintain technical configuration and knowledge base documentation
- Provide internal company support

Requirements

- Must be actively enrolled and seeking a degree in Information Technology, Management Information Systems, Computer Engineer, Computer Science, or other related field; prefer IT/MIS
- Programming and scripting knowledge (Python, Go or Shell)
- Knowledge of Windows and Linux operating systems
- Understanding of TCP/IP networking
- Familiarity with a cloud provider, preferably Azure
- Familiarity with docker or containers
- Proficient with standard IT concepts, practices, and procedures
- Self-starter with the ability to work independently as well as in a team environment
- Strong analytical skills, detail-oriented, and ability to prioritize effectively multi-task and meet deadlines
- Must possess excellent communication skills, both verbal and written

Nice to have

- Knowledge of Office 365 and Azure Active Directory
- Familiarity with Kubernetes
- Familiarity with Machine Learning concepts

We offer an attractive compensation based on experience and skills.

Please send your complete application to: Mr Patrizio Contu, CTO, (including CV with photo, references, education and qualification certificates) per e-mail: techlab@natzka.com

Please kindly note that we only accept applications from direct candidates, no recruitment agencies. Thank you for your understanding.
